

Health and Safety statement of intent

1. Our company strives to take strict measures to monitor and control Health & Safety as an integral part of running our business operation.
2. We will, if is possible:
 - a. Make sure that all working practices and work equipment are safe and that they do not pose a risk or hazard to Safety and Health.
 - b. Make sure that needed measures are carried out to safely use, store, and transport all substances and materials.
 - c. Give all needed training, supervision, instruction and information to make sure that all employees have a working environment that does not endanger their Health or Safety.
 - d. Control all workplaces, equipment and utilized transport in a condition that is safe and free from Health and Safety risks
 - e. Make sure that employees have access to adequate facilities to safeguard their welfare
 - f. Take measures to protect the Health and Safety of visitors, contractors and any members of the public who could be impacted by our operations
 - g. Give employees all needed information concerning procedures to protect their Health and Safety and the Health and Safety of others, and, when needed, consult with them to improve how our company handles these issues.
 - h. Make sure that all employees carry out their Health and Safety responsibilities and work with management to carry out this policy
 - i. Monitor how this policy is carried out in the workplace.
 - j. Make Sure sufficient funds are available to implement this statement.

Fast K9 Security Limited will also regularly review this policy to see if any changes are needed.

Health & Safety Policy

This is the statement of general policy and arrangements for Fast K9 Security Limited. Kamil Naeem – Manager has overall and final responsibility for health and safety. Kamil Naeem– Manager has day-to-day responsibility for ensuring this policy is put into practice.

Statement of General Policy	Action/Arrangements (What are you going to do?)
Prevent accidents and cases of work-related ill health by managing the health and safety risks in the workplace	Relevant risk assessments completed and actions arising out of those assessments implemented. (Risk assessments reviewed when working habits or conditions change.)
Provide clear instructions and information, and adequate training, to ensure employees are competent to do their work	Staff and subcontractors given necessary health and safety induction and provided with appropriate training (including working at height, asbestos awareness and electrical safety) and personal protective equipment. We will ensure that suitable arrangements are in place to cover employees engaged in work remote from the main company site.
Engage and consult with employees on day-to-day health and safety conditions	Staff routinely consulted on health and safety matters as they arise but also formally consulted at regular health and safety performance review meetings or sooner if required.
Implement emergency procedures – evacuation in case of fire or other significant incident. You can find help with your fire risk assessment at: https://www.gov.uk/workplace-fire-safety-your-responsibilities	Escape routes well signed and kept clear at all times. Evacuation plans are tested from time to time and updated as necessary.
Maintain safe and healthy working conditions, provide and maintain plant, equipment and machinery, and ensure safe storage/use of substances	Toilets, washing facilities and drinking water provided. System in place for routine inspections and testing of equipment and machinery and for ensuring that action is promptly taken to address any defects.
